

Agency Name

HARBORS HOME HEALTH & HOSPICE

Position Title (ie, Nurse, Execuctive Director, etc.)

CEO

Position Description

Harbors Home Health & Hospice, the #1 home health provider in Grays Harbor County, has a great opportunity for our next great leader. Become the next Chief Executive Officer for the well-known home medical provider in the Pacific Northwest.

Our next leader will oversee all aspects of both home health & hospice care teams. Harbors Home Health & Hospice continues to grow in our community with a daily census of over 300 patients and over 70 employees. Responsible for ensuring the delivery of effective clinical patient care and maintaining compliance with federal and state regulations. This individual must create a culture of open and effective communication and promotes positive working relationships with internal and external individuals. A team player with a driving passion for our industry, bringing humility to the position and understanding how their words and actions affect others. Working hands-on with the Board of Directors, internal staff, management, clinicians, physicians, external referral sources, vendors, patients, families and community members.

The ideal individual will bring intimate knowledge of home health, hospice and operational skills from an agency perspective. Preferred candidate will possess a bachelor's and/or Master's degree within a healthcare related field. Will be required to obtain National Certification as a Home Health Manager within 1 year of hire.

Celebrating our 40th anniversary, Harbors Home Health & Hospice is the only certified hospice provider and the premiere non-profit home healthcare provider in Grays Harbor and Pacific County. Harbors' offers a premiere benefits package with very competitive salaries
