Providence Health & Services

Position Title (ie, Nurse, Executive Director, etc.)

Clinical Manager - Hospice

Position Description

Providence is calling a Hospice Clinical Manager to Providence Hospice and Home Care of Snohomish County in Everett, Washington.

This is a full time position. \$5000 Sign-On bonus for external caregivers.

Hospice caregivers will tell you what a privilege it is to care for patients and their families at the end of their lives. We get to see people where they reside and focus on their goals and improving the quality of their lives. If you are interested in a rewarding career, Providence Hospice might be the opportunity you are looking for! We are a community of caregivers delivering every day on our Mission to provide compassionate care that is accessible for all - especially those who are poor and vulnerable.

In this position you will:

- Serve as the manager of a clinical program and provide staff supervision and coordination for the care provided to patients and their families served by a designated hospice interdisciplinary team.
- Have responsibility for identifying 'best practices' for care.
- Network with community resources and consult with community health care providers serving patients with life limiting illness.

Qualifications:

Required qualifications for this position include:

- Bachelor's degree in Nursing (BSN), Diploma in Nursing, or Associate's Degree in Nursing (ADN); OR eligibility for and completion of a Bachelor's degree in Nursing (BSN) within 2 years of the date of hire; OR Master's degree in Social Work (MSW).
- Current professional licensure in Washington State
- Current Cardiopulmonary Resuscitation (CPR) certification
- Current Washington State driver's license and insured, reliable vehicle
- 3 years clinical experience
- Working knowledge of Microsoft Office Suite

Preferred qualifications for this position include:

- Hospice certification
- 3 years management experience
- Experience in hospice setting

About the ministry you will serve.

Providence Hospice and Home Care provides quality, timely, comprehensive medical care in the homes of patients in Snohomish County in Washington State, including Camano Island. Our Mission is to improve the quality of life of our community by providing professional, compassionate, quality care, in appropriate settings, enabling individuals and families to manage health care problems and life-threatening illnesses. The wide-ranging care we provide includes the service of physicians, registered nurses, CWCN registered nurse wound care specialists, medical social workers, rehabilitation therapists, home health aides, chaplains and volunteers.

Our Inpatient Hospice Care Center provides a unique alternative to traditional home-based care for hospice patients who need symptom management which cannot be provided in the home. Located at Providence Regional Medical Center Everett, the center serves patients in the hospital and offers the community a complete continuum of hospice care.

We offer a full comprehensive range of benefits - see our website for details
