

Sponsor, Faculty and Planner Disclosure Information

The Washington State Hospice & Palliative Care Organization (WSHPCO) thanks the planners and faculty for their commitment to planning and providing state-of-the-art and robust educational content for this conference. The WSHPCO, in conjunction with the National Hospice and Palliative Care Organization in our CME joint-providership agreement, endorses the Standards of the Accreditation Council for Continuing Medical Education (ACCME) and American Nurses Credentialing Commission (ANCC) which specify that sponsors (i.e. the WSHPCO) of CE/CME credit disclose relevant financial relationships with commercial interests whose products or services are discussed in educational presentations. The WSHPCO has implemented a process where everyone who is in a position to control the content of an educational activity must disclose all relevant financial relationships they or a spouse/partner have (or have had within the past 12 months) with a commercial interest.

SPONSOR

The Washington State Hospice & Palliative Care Organization of Camas, Washington has no relevant financial relationships with commercial interests to disclose.
